## Residents and Non Residents Are Welcome Adults and Kids Pre K-12

Dear Neighbor:

As the snow comes falling down, I am imagining warm sunny days with balmy summer evenings. We have enjoyed preparing our summer catalog for both children and adults. I have asked my staff to think "outside the box" and develop some new ideas. To that end, we have added some new fascinating enrichment programs. I am excited about the broad range of opportunities available. Our programs for children are staffed by CT certified teachers and we have a registered nurse at each site.

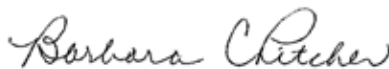

Among our varied opportunities for children, we are excited to present our **new** program, **FUNWORKS!** Parents may register their child for a combination of courses to make their child's day diverse and dynamic. Small groups will be working with our teachers thus providing frequent opportunities for personal attention and customized learning. Breaks are integrated into the student's schedules to enjoy their snack and socialize with friends.

We are open Monday through Friday as well as Tuesday and Thursday evenings. Our goal is to have all of you

excited while challenging every participant to be creative. Make a decision to try something new; relax and have fun with it. There is something for **everyone!**

While you are enjoying spring, take time to plan your summer. I hope that you will use this catalog as a handy reference. Please let me know if I can do anything to enhance your time with us. We look forward to your participation. **Let yourself shine.** Until next time....

Cordially,

Barbara C. Pitcher, Director

**JESUS CHRIST SUPERSTAR**

presented by Staples Players

(Entering Gr. 9 through college)

**Directors:** David Roth and Kerry Long**Musical Director:** Chris Coogan**Tech Director:** Dave Seltzer

Join Staples Players as they produce the smash hit rock opera “**JESUS CHRIST SUPERSTAR**”.

Players production of “**JESUS CHRIST SUPERSTAR**” will be set in the turbulent

1960's and will have many leading and supporting roles to accommodate a large cast of male and female students and features powerful rock music by Andrew Lloyd Webber (*Phantom of the Opera, Cats, Evita, Joseph and the Amazing Technicolor...*) with lyrics by Tim Rice (*Lion King, Aida, Evita, Joseph and the Amazing Technicolor...*). We will be considering females to play several of the roles originally played by males. This is a terrific way to get involved with one of the best high school theatre programs in the country as well as work with Players directors, David Roth, Kerry Long and Dave Seltzer! The schedule is similar to a real production rehearsal schedule rather than “camp style” – that is, not everyone will be required each day. A schedule will be set at least 3 days in advance for the following week.

**STUDENTS ENTERING 9TH AND 10TH GRADE:** Because of the popularity of this program, we will be accepting a limited number of students entering these grades. Auditions will be held on Friday April 29 -- email Producer Rhonda Paul at [splayersparents@gmail.com](mailto:splayersparents@gmail.com) to schedule your audition. If you are cast in the production, you must register and pay in full within two weeks after being notified.

**There are no refunds.** Note that those students chosen to participate may be required to audition again the first week in June with the older students to determine specific casting - you must be willing to accept any role assigned. Students in 9th and 10th grades are strongly encouraged to audition - in past years we have accepted over 20 students of this age. It is possible to do this program AND the Westport Summer Teen Theater Camp held at Bedford Middle School.

**STUDENTS ENTERING 11TH GRADE THROUGH COLLEGE:** The program must be paid in full before auditioning. Auditions will be held the first week of June. Audition only if you will accept any role assigned. **There are no refunds for withdrawals unless sent in writing more than 4 weeks prior to the start date of the auditions. Enrollment is limited.**

Rehearsals begin the week of June 21 and performances will be July 28-30 - given the tight rehearsal schedule it will be difficult to allow participants to miss rehearsals for vacation. Rehearsals are Monday- Friday from 2:00- 5:30 pm. During the final week rehearsals may run from 2:00-9:00 pm if needed. Email Producer Rhonda Paul at [splayersparents@gmail.com](mailto:splayersparents@gmail.com) with any questions.

All participants are invited to do tech work for “**JESUS CHRIST SUPERSTAR**” Monday-Friday from 5:30-9:00 pm. In addition, students with technical skills entering Gr. 9 through college are invited to register and then participate in the evenings. There is no charge for the Staples Players' Summer Tech Program.
